Key Points:

- * We are addressing concerns about carts being off the path around the greens and tee areas.
- * Greens have been punched and Fall maintenance in the process.
- * Getting quotes to increase chemical budget to match golf course needs.
- * We will be cutting down some dead trees this winter.
- * We are developing a winter equipment maintenance program.
- * Maurice is still working on our Lastech mower.
- * Looking at a date to move flags off greens and tees in front of teeing ground to give them a rest from all the golf season traffic. Also implementing a winter walking or Cart Path Only (CPO) rule.

Ballot for the Board: Joey Balsler, Josh Schwering, Tyler Ellinger, Terry Alverson, Lou Caperoon

Poll opens on Friday, October 15th at 5 and closes at 8:00 Opens Saturday at 11 and closes at 5.

We will be revising the bylaws to update the requirements for voting for the board. It will include voting by proxy and email. We may eliminate the Friday voting at the club as that was always a time when people came out to eat. We will keep the Saturday voting at the club but might shorten the time. This will be noted in a future newsletter for our members to review before we pass the amendment.

Finances continue to look good through the end of the year.
